If we only see this from one angle
All the love will strangle
The truth out of you
And if we only take this to one level
Baby then we'll never
Know what we could do

You and I we are just
Keeping time we have got
No design to follow
No, no, no-body knows the patterns
It never seems to matter though, though, though...

So here's to hoping this goes over smoothly
Neither of us losing
Our heads over this
Aw, because

Hearts are messy creatures
We discover
Keeping bases covered
Is ineffective

You and I we are just
Keeping time we have got
No design to follow
No, no, no-body knows the patterns
It never seems to matter though, though, though...

You and I we are just
Keeping time we have no
Dotted lines to follow
No, no, no-body knows the patterns
It never seems to matter though, though, though...
Though, though, no oh...
