I think I get it
I think I finally get it now
Been a life of looking down
For fear of falling.

I'm no exception
It's just a word I call myself
As if vocabulary helps
The fear from calling.

Oh, and it's my heart on a silver platter
Held up by a cruel hand
and I've a mind to be fully shattered
but I stand.
Oh I stand.
Yeah, I stand.
I stand too close to you.

I hear it's fleeting
It's just a temporary pause
In an otherwise just cause
Worthy of defending.

So I'll believe it
I will turn and face the fight
If you give me one clear sign

The burden's worth the bending.

Oh and it's my heart on a silver platter
Held up by a cruel hand
And I've a mind to be fully shattered
But I stand.
Oh I stand.
Yeah I stand.
I stand too close to you.

So do you want it?
Or do you want me to run?
I'll run now...
Or do you want me to run?
I'll run now...

Or do you want me to run?
I'll run now...
Or do you want me to run?
I'll run now...

It's my heart on a silver platter
Held up by a cruel hand
And I've a mind to be fully shattered
But I stand.
Oh I stand.
Yeah I stand.
I stand too close to you.
