You say you love me, but i know it's a lie,  
coz when you loved me, my river ran dry,  
is someone tempting? Someone on standby,  
i handle looks, but never touch, you are mine.

~ I thought you'd never ever ever wanna see see see  
me like this,  
see see me like this, no no,  
now i'm all teary'ed up paranoid as ever yup!

- Now put your hands up (hands up),  
i'm about to shoot love (i'm about to shoot love),  
and i'm a' pray that you won't give it up (pray that you  
won't give it up),  
you never wanna see me like this.

- Now put your hands up (hands up),  
i'm about to shoot love (i'm about to shoot love),  
and i'm a' pray that you won't give it up (pray that you  
won't give it up),  
you never wanna see me like this.

Your love is sickly (love is sickly),  
emotional rides, a troubled heart,  
a messy mind, that's bleeding mine,  
that's whyyyyyy...

~ I thought you'd never ever ever wanna see see see  
me like this,  
see see me like this, no no,  
now i'm all teary'ed up paranoid as ever yup!

- Now put your hands up (hands up),  
i'm about to shoot love (i'm about to shoot love),  
and i'm a' pray that you won't give it up (pray that you  
won't give it up),  
you never wanna see me like this.

- Now put your hands up (hands up),  
i'm about to shoot love (i'm about to shoot love),  
and i'm a' pray that you won't give it up (pray that you  
won't give it up),

you never wanna see me like this.

If i was brave, i'd cut you off,  
you don't think to fast, you would never last,  
something drastic has to change,  
i'm begging of you.

- Now put your hands up (hands up),  
i'm about to shoot love (i'm about to shoot love),  
and i'm a' pray that you won't give it up (pray that you  
won't give it up),  
you never wanna see me like this.

Yeahhh EhEh Ayyy, Yeahhh EhEh Ayyy  
Yeahhh EhEh Ayyy, Yeah Yeahhh EhEh Ayyy,  
no you never wanna see me like this,  
you never wanna see me like this.

Yeahhh EhEh Ayyy, Yeahhh EhEh Ayyy  
Yeahhh EhEh Ayyy, Yeah Yeah Yeah Yeah Yeahhh  
Eahhh,  
no you never wanna see me like this,  
you never wanna see me like this.
