Oh no, hold up, wait a minute
I don't know who you think you're talkin' to
Drop that, drop that, stop that, stop that
I will never be what you want me to
I won't, let you, put me, down no

What makes you think I belong to you
Wake up, before I break up
It's Insanity

If you think for just a second that you own me
Think again 'cause I will never be your trophy
If you're lookin' for a quickie then I'm not
the one to talk to

Chorus:
You better back off, back it up
I don't know what you heard
You better back off, back it up
I'm not that type of girl
I would never let anyone control me
I will hold my fort down
So back off

Don't touch, hands off, step back, get lost
I don't believe in them tricks you pull on me
Eaze up, chill out, speak not, still now
Can't you see that you're talk is buggin' me
Go ahead, make a fool of yourself
I will never go home with you

Slow down before it goes down
You can't handle me

If you think for just a second that you own me
Think again 'cause I will never be your trophy
If you're lookin' for a quickie then I'm not
the one to talk to

Chorus:
You better back off, back it up
I don't know what you heard
You better back off, back it up

IÃ,Â´m not that type of girl
I would never let anyone control me
I will hold my fort down
So back off

(2 mal)

Watcha lookinÃ,Â´ at who youÃ,Â´re talkin to
I donÃ,Â´t want anything to do with you
Back it up,back it up
If you think for just a second that you own me
Think again Ã,Â´cause I will never be your trophy
If youÃ,Â´re lookinÃ,Â´ for a quickie then IÃ,Â´m not

Chorus:

You better back off, back it up
I donÃ,Â´t know what you heard
You better back off, back it up
IÃ,Â´m not that type of girl
I would never let anyone control me
I will hold my fort down
