1ST VERSE:

First on the floor (I'm in a hot red dress)
Dancin' Alone (doing the spotlight test)
Last out the door (I'll be the last one left)
I ain't waiting on this party to start

I can do in any position
It's all a part of my addiction
It's not like a drug this condition
It's worse, I'm cursed
I need it aigain and again

CHORUS:

I'm loosing my feet, don't know how to stop it
Baby, I'm a Dance-Aholic
Feed me a Beat, my body'll rock it
Baby, I'm a Dance-Aholic

La la la la la, a Dance-Aholic
La la la la la, I'm a Dance-Aholic
La la la la la, I just can't stop it
La la la la la
