La La La La Laaaa
(I'm gonna love you faithfully)
La La La La Laaaa
Haaaaaa
Never has there ever been more stars above
Never has there ever been a truer love
Never have I ever looked in eyes so bright
Burning deep into my heart, my soul tonight
Let me take this moment
Let me make this vow
There'll never be another
I promise you right now

That I'll give my love to you so faithfully
Not a truer love could ever be
Sure as the river rushes to the sea
I'll love you faithfully

Yes, I'll give my love to you so faithfully
You're all these arms of mine will ever need
Sure as the world keeps spinning endlessly
Faithfully I'll give my love to you

Understand
Girl, that I'm down on my knees
And I'm begging you please
This heart is yours so faithfully
(So faithfully)

Never will you be without a hand to hold
I'll be right there for you
Mind, body and soul
Even when there's darkness
You can't find your way
I'll be your light
I'll lead you to a sunny day
You have given me the strength to go on
You know that I could never do you wrong

Yes, I'll give my love to you so faithfully
Not a truer love could ever be

Sure as the river rushes to the sea
I'll love you faithfully

Yes, I'll give my love to you so faithfully
You're all these arms of mine will ever need
Sure as the world keeps spinning endlessly
Faithfully I'll give my love to you

I swear with all my heart
This love will never change
Girl, I'll always love you
(I'll always love you)
Through the ages I'll always love you

Yes, I'll give my love to you so faithfully
(All this love's for you)
Not a truer love could ever be
(You know I'll always love you girl)
Sure as the river rushes to the sea
I'll love you faithfully

Yes, I'll give my love to you so faithfully
(I'll give so much love to you)
You're all these arms of mine will ever need
Sure as the world keeps spinning endlessly
Faithfully I'll give my love to you
(I love you)
