"Feelgood Lies"

Just a little feelgood lie
Check your alibi

Everybody tells a little story
Everybody tells a white lie
Sometimes you gotta be careful
Gotta check your reasons why
Guess you do what you gotta do (Better watch your
back)
Say what you say (Be careful boy)

Everybody got a little secret
Everybody got a darker side
Did you think I wouldn't see right through it
Your alligator tears are dry
Gotta say where you're gonna be (Better watch your
back)
Where you're coming from (Be careful boy)
Better run away, I don't wanna play
Who needs it anyway

You think you're irresistible
So hot it's unbelievable
I'm thinking you're just predictable
Yeah yeah yeah yeah
Better check your alibi
When you look me in the eye
Make 'em real good lies
Like them feelgood lies
Think I'm messing with your plan
I don't really give a damn
'bout them real good lies
Them feelgood lies

Come down, get a little real
Find something that can work for you
You ain't no superhero
Just a faker with an attitude
Be who you're gonna be (Better watch your back)
Come clean (Be careful boy)

Better run away, I don't wanna play
Who needs it anyway

You think you're irresistible
So hot it's unbelievable
I'm thinking you're just predictable
Yeah yeah yeah yeah
Better check your alibi
When you look me in the eye
Make 'em real good lies
Like them feelgood lies
Think I'm messing with your plan
I don't really give a damn
'bout them real good lies
Them feelgood lies
