When you walk along the beach, you see the boys and  
the girls.  
In the midday heat is all you need, an ice cream in your  
hand.  
Just lay down in the summer sun, the good vibrations  
will come.

Like ice in the sunshine,  
like ice in the sunshine.  
I'm melting away,  
on this sunny day.

If you wanna have some fun, you'll get it down by the  
sea.  
You don't care about whatever, just today is the day.  
With ice cream and the summer sun, the good  
vibrations will come.

Like ice in the sunshine,  
  
like ice in the sunshine.  
I'm melting away,  
on this sunny day.  
Like ice in the sunshine,  
like ice in the sunshine.  
I'm melting away,  
on this sunny day.

Like ice in the sunshine,  
I'm melting,  
ice in the sunshine,  
hmmmm,  
sunshine.

Like ice in the sunshine,  
like ice in the sunshine.  
I'm melting away,  
on this sunny day.  
Like ice in the sunshine,  
like ice in the sunshine.  
I'm melting away,  
on this sunny day.
