Call me innocent, colour me pure  
I'll be anyhow you want to paint me  
I'll give you fragile and I'll show you demure  
Picture perfect there's no mistaking

I'm good as gold  
You know what I mean  
So don't be fooled  
Even though I'm sitting pretty

There's no angel inside of me  
It's all in your mind  
What you get boy, ain't what you see  
Ain't that a surprise?

You treat me like you think a gentleman would  
My God ya trying so hard to please me  
You're pussy-footin 'cause you think that you should  
Why make this difficult? could be so easy

I'm bitter sweet  
You know what I mean  
So don't be fooled  
Even though I'm sitting pretty

There's no angel inside of me  
It's all in your mind  
What you get boy, ain't what you see  
Ain't that a surprise?

This squeaky clean, this goodie two shoes, boy is of  
your design  
This so untouchable is all in your mind  
No perfect saint, no holier than thou or whiter than  
white  
This Miss Untouchable is all in your mind

There's no angel inside of me  
It's all in your mind (all in your mind, all in your mind)  
There's no angel inside of me  
Ain't that a surprise?

There's no angel inside of me  
It's all in your mind  
What you get boy, ain't what you see  
Ain't that a surprise?

There's no angel inside of me (there's no angel, no  
angel)  
Ain't that a surprise? (you know what I mean)

There's no angel inside of me (oh ooh)  
It's all in your mind
