Girl please, girl please, don't break my heart

CHORUS:

Please don't break my heart

'Cause I can't see you without me, I need you girl

Please don't break my heart

'Cause without you there is no me, girl can't you see

When I think of how it would be without you here with
me

My life could not go on

Unhappy days, so much pain, so much rain

All my sunshine would be gone

CHORUS

I promise I will bring you happy melodies all through
the days

Nothing will go wrong

Girl, I'll please you everyday

I'll make sure that we go on and on

CHORUS

I can't control this love I have inside for you

I can't ignore this feeling that I feel

'Cause you're the one that keeps

My heart safe and warm

You're the reason I keep going on

CHORUS
