Chorus(2x):

Cause even if might regret it
I sometimes wish I'd never said it
But you know I really have to thank U
Showing yourself can be so hard
especialy when you are not that sure
that all the loving that you give
Will come back to U
Throughout the years I've always tried
to give the best of my love
that's true
Maybe I didn't give it all
baby now that I found U
I'm giving U all that I have
and hope that U will return it too
but never the last I must confass
That I'm really scared of letting go
But if I hadnt said those 3 words
Maybe I'd never ever know
How good it feels to be there in Ur arms
For the rest of my live

Chorus(2x)

now that I told U how I feel
tell me do U feel the same way too
Will U take me as I am
I walk away and leave me standing here
Throughout the years I've always tried
to give the best of my love
that's true
Maybe I didn't give it all
baby now that I found U
I'm giving U all that I have
and hope that U will return it too
but never the last I must confass
That I'm really scared of letting go
But if I hadnt said those 3 words
Maybe I'd never ever know
How good it feels to be there in Ur arms
For the rest of my live

Chorus(2x)

really really have to thank U
thank U up

really really have to thank U
Thank U
I'm giving U all that I have
and hope that U will return it too
but never the last I must confess
That I'm really scared of letting go
But if I hadn't said those 3 words
Maybe I'd never ever know
How good it feels to be there in Ur arms
For the rest of my live-ac
