Is it love  
Is it real  
Is it just another number

In your heart  
Do you feel  
What is written in your eyes

Boy  
If you don't know  
You'll never be ready to give me  
more than kisses and hugs  
Hey

Then I should go  
Find somebody who does  
Cause I'm

CHORUS

Too old for games  
Too old to wait  
Too old to love you if you're not gonna stay  
Too old for charms  
Don't break my heart  
Take it or leave it  
Cause I'm too old

Do you mean what you say  
Or do you just like talking  
Or does this player wanna play  
Just to please his inner child so

If you're sure  
You'll never be ready to give me  
more than heartache and doubt  
Hey  
So don't let the door hit you on the way out  
Cause I'm

CHORUS

Too old for games  
Too old to wait  
Too old to love you if you're not gonna stay  
Too old for charms  
Don't break my heart  
Take it or leave it  
Cause I'm too old

This is your last chance  
Time to be a man  
Go or take my hand  
Cause I'm too old for this  
Love me or leave me  
Break up or please me  
Scream if you need me

This is a song for all you half assed lovers  
This is a song for all you half assed lovers  
This is a song for all you half assed lovers  
Get your act together before I call your mother

#### CHORUS

Too old for games  
Too old to wait  
Too old to love you if you're not gonna stay  
Too old for charms  
Don't break my heart  
Take it or leave it  
Cause I'm too old
