In a country - SO RICH!
Still so many poor
Oh these violent times
We live in - Violent outcry!

LET ME HEAR YOU!
LET ME HEAR YOU!
LET ME HEAR YOU - NOW!

Where is your love?
Where is - YOUR COMPASSION?
For some everyday is a fucking struggle
I WILL - WE WILL - JUDGE YOU - For your actions
For some everyday is a fucking struggle

LET ME HEAR YOU!
LET ME HEAR YOU!
LET ME HEAR YOU - NOW!

Allright
This one goes out to those - Who have nothing,
No family, Living in poverty, Experienced a
Violent childhood, Feeling left alone and betrayed
Where is your fucking love? where's your compassion?

LET ME HEAR YOU!
LET ME FUCKING HEAR YOU!
I FUCKING FEEL YOU!
COME ON - Where's your love? Where's your
compassion
THIS IS A FUCKING STRUGGLE!

LET ME HEAR YOU!
LET ME HEAR YOU!
LET ME HEAR YOU - NOW!

LET ME HEAR YOU - NOW!
LET ME HEAR YOU - NOW!
LET ME HEAR YOU - NOW!
