So unique it makes me weak
Telling you I'm here to stay
Because you give me a reason everyday
Sharing life and what's dearest to me

Per -
Why all these deciving thoughts?
Causing me to get lost
Betrayed by all my feelings
Frustrated and now concealing

Johnny -
Threw it all away
Never here to stay
The promise is broken

Now dead and never awoken

Jesper -
What can i do?
There is no turning back
Taking all the memories
We use to have!

CONDEMNED TO SUFFER

WHAT CAN I DO?
Thew it all away
WHAT CAN I DO?
Never here to stay

I HAVE CONDEMNED MYSELF TO SUFFER
