Yeah, with a boy like that, it's serious

There's a boy who is so wonderful
The girls who see him can help but follow him back
home
And the gigolos run like spiders when he comes
'Cause he is Eros and he's Apollo

Girls, with a boy like that, it's serious
Senoritas, don't follow him
Soon he'll eat your hearts like cereals
Sweet Lolitas, don't go, you're still young

But every night, they fall like dominos
How he does it, only heaven knows
All the other men turn gay wherever he goes
Wow!

Girls, with a boy like that, it's serious
Senoritas, don't follow him
Soon he'll eat your hearts like cereals
Sweet Lolitas, don't go, you're still young

Yeah, with a boy like that, it's serious
Senoritas, don't go, please don't go
Soon, he'll eat your hearts like cereals
Sweet Lolitas, don't go, you're still young

Sweet Lolitas, don't go, you're still young
