Visit "[In Harmony](#)" on MotoLyrics.com

Through veils of green, a field of dreams, your spirit
came to me.

With gentle eyes, a noble stride, your withers were my
wings.

Heaven smiled upon me, as you lifted me to grace, I
never felt this kind of free, or harmony, my friend and
me.

We danced in rhyme, transcended time, among the
wooded knoll.

With every turn, had much to learn, hope settled on my
soul.

Heaven smiled upon me, as you lifted me to grace, I
never felt this kind of free, or harmony.

Now my body may not know, but my heart can tell,
there's no better place to be.

Heaven smiled upon me, as you lifted me to grace, I
never felt this kind of free, or harmony, my friend and
me.

Your withers were my wings, my friend and me, in
harmony. Your withers were my wings, my friend and
me, in harmony.
