Chorus:

I've been thinkin' bout you baby, are you thinkin' of me too?

I know you're thinkin' of me lady, deny it but you know it's true

I've been thinkin' bout you baby, and you're thinkin' bout me too

I'm thinkin' you're too afraid to love me, 'cause it seems like thinkin's all you do

I've been thinkin' bout you lately

And I don't know what to do

Girl it's drivin' me so crazy

All I do is think of you

Deep in my heart you'll find security

The love we have is just like purity, it's all in me

I don't know what to feel, it's all so real

Girl you've got me thinkin' crazy, oh so crazy

(Chorus)

I don't know what to feel, it's all so real

Bridge:

I know you want me 'cause I hear it in your tone

When you're talkin' to me on the telephone
Talkin' bout how you wanna be just friends
But I'm talkin' how I wanna be your man
Why you trippin' girl, why you wanna act a fool?
You know that you want me and I know I want you too
Do you like that, baby can't you see? I know all you do i
