Let's make this meaningless mistake
Mean something more to us someday

Why play pretend or just be friends
When I could have you now with one formal request
(formal request)
Just to see what's underneath that dress
Although I might not be impressed
Just feel free to try your best
Consider this, consider us
Nothing in terms of love but lust

I'm taking all the signs you're giving out
Go ahead girl and take it off
You know you are so obvious
Seduce me all you want
You know you are so obvious
Look at you you're so obvious

I'd never would say that this was love
But I'll leave you with such impressions
Of myself in everything you do
Just to make this meaningless mistake
Maybe mean something someday
Like a ghost forever haunting me
It's such a pain, it's such a pain

I'm taking all the signs your giving out
Go ahead girl and take it off
You know you are so obvious
Seduce me all you want
You know you are so obvious
Look at you you're so obvious

You're obvious, you're obvious
You're obvious inevitable
(You're so obvious)
Go back into the bedroom
And all you are is scandalous
By morning you'll regret this
I'm not the one to make excuses

I'm just the one to make you scream

A meaningless mistake with no sincerities
Lives on like a ghost forever haunting me
