I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me  
Frozen here on the ladder of my life

It's much too late to save myself from falling  
I took a chance and changed your way of life  
But you misread my meaning when I met you  
Closed the door and left me blinded by the light

Don't let the sun go down on me  
Although I search myself, it's always someone else I  
see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me

[Spoken]:  
[Ladies & gentlemen mister Elton John]

I can't find, oh the right romantic line  
But see me once and see the way I feel  
Don't discard me (oh baby no)  
Just because you think I mean you harm  
(Just because you think I mean you harm)  
But these cuts I have (cuts I have)  
They need love (they need love, they need love)  
To help them heal

Don't let the sun go down on me  
Although I search myself, it's always someone else I  
see  
I'd just allow a fragment of your life to wander free  
'Cause losing everything is like the sun going down on  
me

Don't let the sun go down on me  
Although I search myself, it's always someone else that  
I see  
I'd just allow a fragment of your life to wander free  
baby  
But losing everything is like the sun going down on me

[Spoken]:  
[Mister Elton John]
