Hey you, get in to my car  
Yes you, get in to my car  
Yeah

Who's that lady walking down the road?  
Who's that lady, yeah  
Who's that woman walking through my door?  
What's the score?

I'll be the sun  
That's shining on you  
Hey Cinderella  
Step in your shoe

I'll be your non-stop lover  
Get it while you can  
Your non-stop miracle  
I'm your man

Get outta my dreams  
Get in to my car  
Get outta my dream  
Get in to my car

Get outta my mind  
Get in to my life  
Oh I said hey you  
Get in to my car

Open the door, get on the floor  
I said hey, hey

I'll be the sun  
That's shining on you  
Hey Cinderella  
Step in your shoe

I'll be your non-stop lover  
Get it while you can  
Your non-stop miracle  
I'm your man

Get out  
Get out  
Get out

Get outta my dreams  
Get in to my car  
Get outta my dream  
Get in to the back seat, baby  
Get in to my car

Get outta my mind  
Get in to my life  
Oh I said hey you  
Get in to my car

("That was the extra track right there.  
That was brilliant.")
