I let it fall, my heart
And as it fell, you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me
My hands, they're strong
But my knees were far too weak
To stand in your arms
Without falling to your feet
But there's a side to you that I never knew, never knew
All the things you'd say, they were never true, never
true
And the games you play, you would always win, always
win
But I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cry
'Cause I heard it screaming out your name, your name
When laying with you
I could stay there, close my eyes
Feel you here, forever
You and me together, nothing is better
'Cause there's a side to you that I never knew, never
knew
All the things you'd say, they were never true, never
true
And the games you'd play, you would always win,
always win
But I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cried
'Cause I heard it screaming out your name, your name
I set fire to the rain
And I threw us into the flames
Where I felt somethin' die, 'cause I knew that
That was the last time, the last time
Sometimes I wake up by the door
Now that you've gone, must be waiting for you
Even now when it's already over
I can't help myself from looking for you
I set fire to the rain
Watched it pour as I touched your face
Let it burn while I cried

'Cause I heard it screaming out your name, your name
I set fire to the rain
And I threw us into the flames
Where I felt somethin' die
'Cause I knew that that was the last time, the last time,
oh
Oh, no
Let it burn, oh
Let it burn
Let it burn
