Would you dance, if I asked you to dance?
Would you run, and never look back?
Would you cry, if you saw me crying?
And would you save my soul, tonight?
Would you tremble, if I touched your lips?
Would you laugh? Oh please tell me this
Now would you die, for the one you love?
Hold me in your arms, tonight
I can be your hero, baby
I can kiss away the pain
I will stand by you forever
You can take my breath away
Would you swear, that you'll always be mine?
Or would you lie? Would you run and hide?
Am I in too deep? Have I lost my mind?
I don't care you're here, tonight

I can be your hero, baby
I can kiss away the pain
I will stand by you forever
You can take my breath away
Oh, I just wanna hold you
I just wanna hold you, oh yeah
Am I in too deep? Have I lost my mind?
Well I don't care you're here, tonight
I can be your hero, baby
I can kiss away the pain, oh yeah
I will stand by you forever
You can take my breath away
I can be your hero, I can kiss away the pain
(I can be your hero, baby)
And I will stand by you, forever
You can take my breath away
You can take my breath away
An' I can be your hero
