Hey my dear old friend, do you remember me?
You seem very sad, anything I can do?
You tried to run away but you cannot hide from me
There somewhere inside coming right back at you

There like a sudden impulse don't persist let it out
You cannot fight me, I'm pushing you back
You're up your road
Reach up you hand, grab your goals

Feed me, with your hunger
Storm me, wake my anger
Free me, I sense your eager

Reach up you hand, grab your goals

Feed me, with your hunger
Storm me, wake my anger
Free me, I sense your eager

It's time to stop feeling alone

Feed me, with your hunger

Storm me, wake my anger
Free me, I sense your eager
Feel me, go on that dreamer
Feed me, with your hunger
Storm me, wake my anger
Free me, I sense your eager
Leave me, like you've tried before
You know it's pointless, it's in your...
