[Chorus:]

Can you blow my whistle baby, whistle baby

Let me know

Girl I'm gonna show you how to do it

And we start real slow

You just put your lips together

And you come real close

Can you blow my whistle baby, whistle baby

Here we go

[Verse 1:]

I'm betting you like bebop

And I'm betting you love creep mode

And I'm betting you like girls that give love to girls

And stroke your little ego

I bet I'm guilty your honor

But that's how we live in my genre

When in hell I pay rottweiler

There's only one flo, and one rida

I'm a damn shame

Order more champagne, pull it down hell stream

Tryna put it on ya

Bet your lips spin back around corner

Slow it down baby take a little longer

[Chorus:]

Can you blow my whistle baby, whistle baby

Let me know

Girl I'm gonna show you how to do it

And we start real slow

You just put your lips together

And you come real close

Can you blow my whistle baby, whistle baby

Here we go

Whistle baby (Ã— 4)

[Verse 2:]

It's like everywhere I go

My whistle ready to blow

Shorty don't leave a note

She can get any by the low

Permission not approved

It's Okay, it's under control

Show me soprano, cause girl you can handle

Baby we start snagging, you come in part clothes

Girl I'm losing wing, my bucatti the same road
Show me your perfect pitch
You got it my banjo
Talented with your lips, like you blew out candles
So amusing, now you can make a whistle with the
music
Hope you ain't got no issue, you can do it
Give me the perfect picture, never lose it
[Chorus:]
Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go
Whistle baby (Ã— 4)
[Verse 3:]
Go girl you can work it
Let me see your whistle while you work it
I'ma lay it back, don't stop it
Cause I love it how you drop it, drop it, drop it, on me
Now, shorty let that whistle blow-ow-ow-ow
Yeah, baby let that whistle blow-ow-ow
[Chorus:]
Can you blow my whistle baby, whistle baby
Let me know
Girl I'm gonna show you how to do it
And we start real slow
You just put your lips together
And you come real close
Can you blow my whistle baby, whistle baby
Here we go
Whistle baby (Ã— 4)
