Verse 1

You've never seen anything like this before
Sure at the end you're gonna ask for more
24/7, 365, around the clock I'm gonna dance my life
I've got you right in my sight 4 on the floor
I'm gonna sell you all that I've got in store
It's the 303 it's in the 808
The bass and kick are never late

Break

Maybe it's my looks that hold you back
That just the way
I show it off

Chorus

For the very first time
I'll let it shine
I'm gonna make you mine

So show it off

We only get one chance
For us to start a romance
Come on let's dance

Let's show it off

It's gonna turn you on
Coz you like it rough
We're gonna have some fun

You're gotta show it off

Show it off

Verse 2

Let me blow your mind and make you lose control
Make you move your body, wanna take your soul

I'll push u further than you've ever been
Don't want your "No" Coz I play to win

Break

Maybe it's my looks that hold you back
That just the way
I show it off
Chorus (X1)

Show it off, show it off, show it off (X3)

Chorus (X1)
