Help me close my eyes  
I don't wanna see what this day was like  
Help me close my eyes  
I want to sleep without dreaming  
Cause I need them to be true

[Chorus]

I want to hide but trees are falling down  
I want to hide but mountains are melting  
I want to hide but trees are falling down  
Let me sleep without dreaming

Help me close my eyes  
I'm scared to see what my dreams will be like  
Help me close my eyes  
I want to sleep without dreaming  
Cause I'm scared to see them

[Chorus]

I want to hide but trees are falling down  
I want to hide but mountains are melting  
I want to hide but trees are falling down  
Let me sleep without dreaming

[Bridge]

I breathe with a hand on my mouth  
I refuse to get poisoned  
And I swallow my sound

[Chorus]

I want to hide but trees are falling down  
I want to hide but mountains are melting  
I want to hide but every fish is getting eaten by the sea  
I want to sleep without dreaming

I want to hide  
I want to hi-i-ide  
I want to hide, Help me close my eyes  
I want to hide  
I want to hi-i-ide  
I want to hide, Help me close my eyes
