I was always searching  
For the last piece missing  
Now that I found you  
Wishes do come true

Butterflies inside me  
Make us fly where we walk  
I'll be holding on  
I'll be holding on

I'll be yours and you're mine  
And I'll be your friend  
Let's stay til the end  
I'll never stop loving you  
I'll be yours and you're mine  
I'll never let go  
Don't ever let go  
I'll never stop loving you

Capture me in your arms  
Wrap your soul around me  
Never felt so free  
Please stay close to me

We lie on the clouds  
And we're kissing the sky  
The raindrops are falling  
But we're staying dry  
And I'll be holding on  
I'll be holding on

I'll be yours and you're mine  
And I'll be your friend  
Let's stay til the end  
I'll never stop loving you  
I'll be yours and you're mine

I'll never let go  
Don't ever let go  
I'll never stop loving you
