ONE DAY FOREVER  
FEATURING ORLANDO WEEKS  
Lyrics by Unnea J  nsson  
Music by Those Dancing Days/Patrik Berger

I have been thinking  
Something is missing  
I needed a feeling  
To make me believe in  
A story that is more than just  
Two people in love  
A story to be told  
I think I found it  
Our story will grow old

One day forever  
We'll stay in time  
I will remember  
Us two combined  
Your voice is like an echo of a lullaby  
But don't say goodnight  
We'll be together  
Always in my mind

I've never seen you  
But I don't need to  
I know I want this  
It's true we all do  
I wanna sing a song about us two being first  
Over seas  
Your words around me  
Would set me free

All in my mind, all of the time  
Something's missing, I need something  
All of the time, all in my mind  
To believe in, words around me  
Your voice is like an echo of a lullaby

All in my mind, all of the time  
All in my mind, all of the time

All in my mind, all of the time  
To believe in words around me

One day forever..
