[Verse 1:]

You got your own list of problems and really I can't do
shit to solve em wanna hit a nigga up like why you
dissin well this time I ain't got time so girl dismiss it, ki
kissin on your neck you be givin that di disrespect until
I give you this dick up in your chest and you hit me like
damn bay damn bay that shit feel so damn great start
confessin you so weak that you can't even stand
straight, start again arguin talkin bout you can't stand
me like I don't understand you and you don't
undertand me damn girl my head hurt need to stop
that for your mans sake and you walk up out that door
and slap me like a hand shake damn
