Here we go again
its unfortunate
and it's so hard for me to do anything.
I wish I didn't have to say it but,
It's over
believe me.
It's better this way.
Too many second times around
Too many times we let each other down
hey, it's over.
I never though that's we end up this way
and though it might hurt,
doesn't mean it wrong.
Don't you get teary-eyed,
or act like it's a big surprise
Wasn't it you, who used to
Threatened to leave?
Maybe one day we can look back
possibly laugh,

And see stupid things that made us mad.
Maybe then we'll decide
To give this love
another try
I wish,
Yeah I wish,
I didn't have to say that it's over.
I'm not enjoying this
Because I know are love's not completely dismissed.
And you think I am enjoying this?
I'm trying not to cry
I've had it up to here...
I'm tired of living in misery
and I hope we can still be friends
Once we put aside all the bitterness
'Cause I still care about you,
I wish I didn't have to say it's over
And although it hurts,
I'd rather you save forever for someone else.
It's over.
