My old transistor radio buzzing
Hot crazy island dirty she does it
I love this city but does she love me
Work for a paycheck
That burns up on rent day
No sweeter evil would I wish come my way

Bring me song of the sea
Sing me a song of the sea
Hang me a song of the sea
For me and my...

Busy black roadway
Light scattered skyline
No sweeter promise
Smell of this highlife
Hole on my heart where a hill and a tree were
Score for a song thrush in that place where we were

Bring me a song of the sea...
