When i see that girl i went out of my mind.
She's the kinda girl i wanna make all mine.

Cause that girl is a dream.
She's the best damn girl i've ever seen.
When she comes around she knocks me off my feet.
I know, you know she's the one for me.

Did you see her last friday night?
She looked real cool, man she looked just right.
She just knocked me to the floor.
She's the one that i adore.
She's the one and it's plain to see.
What's the odds that she'll notice me?

Cause i like Joe's sister.
I like the way she smiles.
I like everything about her.

When i see her i just can't speak.
My tongue gets tied and my knees get weak.
Cause that girl is a dream.
She's the best damn girl i've ever seen.
Man, oh man, she just knocked me off my feet.
She know, i know she's the one for me.

I like Joe's sister.
I like the way she lies.
I like everything about her.

I like Joe's sister.
I like the way she dances.
I like everything about her.
