"Perfect Rejection"

I got everything that i'll ever need. Enough to get me through.

I got a couple of bucks and a little good luck, and then i saw you.

You see i went shopping the other day.

I saw this girl and she looked my way.

She had the prettiest smile and the nicest eyes.

So i thought i'd go over and give it a try.

She said, "i'm sorry sir, you can't fulfill my needs."

She said, "no way, you're not up to my speed."

Then she sold me something i didn't need.

I got the perfect rejection.

The perfect rejection.

It wasn't that bad, it's been worse before.

So i guess i can keep shopping at her store.

I know it's not me, that girls just gay.

"Thank you very much i hope you have a nice day"

She said, "i'm sorry sir, you can't fulfill my needs."

She said, "no way, you're not up to my speed."

Then she sold me something i didn't need.

I got the perfect rejection.

She don't bother with lies, cause she don't like guys.

Rejection.

And i don't know why, no i don't know why.

She said, "i'm sorry sir, you can't fulfill my needs."

She said, "no way, you're not up to my speed."

Then she sold me something i didn't need.

I got the perfect rejection.

She don't bother with lies, cause she don't like guys.

Rejection.

And i don't know why, no i don't know why.

I don't know why.

I don't know why.
