She used to be flat, but she still looked good.

Then Tania did something i never thought she would.

Ohhh oh. Ohhh oh. Ohhh oh.

Tania got a tit job.

Ohhh oh. Ohhh oh. Ohhh oh.

Tania got a tit job.

I don't like her less.

I don't like her better.

But i still love the way that she fills out her sweater.

Ohhh oh. Ohhh oh. Ohhh oh.

Tania got a tit job.

Ohhh oh. Ohhh oh. Ohhh oh.

Tania got a tit job.
