Saw her walking down the street.

Thought she looked kinda neat.

Went home and beat my meat.

Got home and went to sleep.

Saw her in my dreams.

Woke up in wet sheets.

I get in wet sheets everytime i think about her.

Saw her walking down the street.

Thought she looked kinda neat.

Went home and beat my meat.

Got home and went to sleep.

Saw her in my dreams.

Woke up in wet sheets.

I get in wet sheets everytime i think about her.
