If I could light, light you up
I think I'd smoke a pack a day
If I could drip, drip you dry
Think I'd drink, drink you straight

I'd get my fix with every kiss from lips of novocain

I can't quit, I gotta have it
In so deep, I crave it bad
It's all I want, to be your addict
Girl you make it hard to kick the habit

Shake, make me shake
Put your kiss on my face
Knock me down, spin me round
You won't keep me on the ground

Oh so pretty, makes me dizzy
Too much ain't enough

I can't quit, I gotta have it
In so deep, I crave it bad
It's all I want, to be your addict
Girl you make it hard to kick the habit

I gotta have you
I gotta have you
I gotta have you

I'll be your personal junky
The beating in your heart
Just say you gotta have me
Say you'll never stop

I can't quit, I gotta have it
In so deep, I crave it bad
It's all I want, to be your addict
Girl you make it hard to kick the habit

I gotta have you
I gotta have you
I gotta have you
