Cold sweat fever even if you don't need her
She'll make you a believer when she comes in shaking
like
Woah-
Won't see it coming, you won't start running
And once she's gone and done it, you know you'll never
say
No-

I'm down and don't want up

Oh- She's here for the wrong reasons
Oh- I'll be the last one leaving

Watch her work her magic she'll leave you feeling
tragic
Have you itching like an addict just begging for a hit
singing
Where did she go-

I'm down and don't want up

Oh- She's here for the wrong reasons
Oh- I'll be the last one leaving
Oh- She's here for the wrong reasons
Oh- I'll be the last one leaving

Oh- She's here for the wrong reasons
Oh- I'll be the last one leaving
Oh- Yeah, she's here for the wrong reasons
Oh- I'll be the last one leaving
The last one leaving
Yeah, I'm the last one leaving
