I never wanted to leave you
and lead you away
now i just want to hold you
you told me to stay

I,I just wanna hear you say
I just wanna hear you say
I just wanna hear you say i love you
I,I just wanna hear you say
I just wanna hear you say
I just wanna hear you say i love you

[Chorus]
baby i love you so
and i want you to know
that i'm gunna miss your love
the minute u walk out that door
please don't go, please don't go,
please don't go, please don't go
please don't go, please don't go,
please don't go, please don't go

I always wanted to love you
Thinkin' of you everyday
Baby just tell me you love me
Just hug me and say

I,I just wanna hear you say
I just wanna hear you say
I just wanna hear you say i love you

I,I just wanna hear you say
I just wanna hear you say
I just wanna hear you say i love you

[Chorus]
baby i love you so
and i want you to know
that i'm gunna miss your love
the minute u walk out that door
please don't go, please don't go,
please don't go, please don't go

please don't go, please don't go,
please don't go, please don't go

Baby i love you so
(Thinkin' of you)
Please don't go
Baby i love you so
(Thinkin' of you)
Please don't go
(baby,baby baby)

[Chorus]
baby i love you so
and i want you to know
that i'm gunna miss your love
the minute u walk out that door
please don't go, please don't go,
please don't go, please don't go
please don't go, please don't go,
please don't go, please don't go
