Baby all I got is this beat up leather bag
And everthing I own don't fill up half
But don't you worry 'bout the way I pack
All I care about is getting back, real soon
A goodbye kiss is all I need from you - 'cause

CHORUS:

I'm carrying your love with me
West Virginia down to Tennessee
I'll be movin with the good Lord's speed
Carrying your love with me..It's my strength..for holdin'
on
Every minute that I have to be gone
I'll have everything I'll ever need
I'm carrying your love with me

On a loney highway stuck out in the rain
Darlin' all I have to do, is speak your name
The clouds roll back and the waters part
The sun starts shinin' in my heart for you
Your right there in everything I do..'cause

I'm carrying your love with me
West Virginia down to Tennessee
I'll be movin with the good Lord's speed
Carrying your love with me..It's my strength..for holdin'
on
Every minute that I have to be gone
I'll have everything I'll ever need
I'm carrying your love with me
