I see her walking outside my room
She's gotta baby inside her womb
I say baby can i hold your hand
Baby, baby can i be your man

Cause you're a mother i'd like to fuck
Yeah you're a mother i'd like to fuck
Mother i'd like to fuck
Yeah you're a mother i'd like to fuck

I see her shopping at the grocery store
Kids call her mom, but she's daddy's whore
She's groping fruit in the produce section
I wish she'd put her hands on my erection

She's a mother i'd like to fuck
Yeah she's a mother i'd like to fuck
Mother i'd like to fuck
Yeah you're a mother i'd like to fuck

Yeah, mother i'd like to fuck
Yeah you're a mother i'd like to fuck
Mother i'd like to fuck
Yeah you're a mother i'd like to fuck
Mother i'd like to fuck
Yeah you're a mother i'd like to fuck
Yeah you're a mother i'd like to fuck
Yeah you're a mother i'd like to fuck
Mother i'd like to fuck
Mother i'd like to fuck
Mother i'd like to fuck
Mother i'd like to fuck
