I'm wide awake
But you've got me dreaming
Make no mistake
I love how I'm feeling
I can't believe
The spell that I'm under
You get to me
And boy it's no wonder
With your heart beating next to mine
In perfect time
Boy you send me
First you get a little bit close to me
All you do is look and my knees get weak
Then you start kissing so soft and sweet
Next stop heaven
You know exactly where to begin
Every time you touch me you make me spin
Ooh baby baby do that again
Next stop heaven
You've captured me
Without even trying
But I'm so free
It feels like I'm flying
I can't explain
Just how you do it
If loves a game
I don't wanna lose it
With your heart beating next to mine
In perfect time
Boy you send me
First you get a little bit close to me
All you do is look and my knees get weak
Then you start kissing so soft and sweet
Next stop heaven
You know exactly where to begin
Every time you touch me you make me spin
Ooh baby baby do that again
Next stop heaven
Higher
Ooh baby only you take me
Higher
Come on baby now only you make me

Higher
Ooh baby only you take me
Higher
Let's go!
Let's go!
With you heart beating next to mine
In perfect time
Boy you send me
First you get a little bit close to me
All you do is look and my knees get weak
Then you start kissing so soft and sweet
Next stop heaven
You know exactly where to begin
Every time you touch me you make me spin
Ooh baby baby do that again
Next stop heaven
Higher
Ooh baby only you take me
Higher-ac
