My girlfriend doesn't want me anymore.
That girl last night thinks i'm a whore.
I guess i really hate them.
I don't wanna date them.
I guess i just ran out of luck.
I guess i need someone to...

At the show she's all i really see.
She comes there all the time, but not for me.
I guess i really, really, really, really, really, really,
really, really, passed the buck.
I guess i'm just shit out of...

I guess i really hate them.
I don't wanna date them.
I guess i just ran out of luck.
I guess i need someone to...
