No u aint got no happiness
Don't need no glory or fame
All i want is ur sweet love that sugar daddy brings
I'll do anything it takes to keep our love alive
Workin' day and noght just tryon' to survive
To be with u is every thing i don't need no more
Just give me ur sweet touch
It's all i need and more
Chours:
Your my sugar daddy 7 days a week
I can't resist ya ur good enough to eat
Your my sugar daddy makin' love so sweet
I can't resist ya ur good enough to eat
Sugar.....daddy
Baby it's just like candy the kisses that u give
The sweetness in your touch can't get better than this
All i do is think of u and when u might be around
Gives me everything i need picks me up when im down
Just give me ur sweet touch
It's all i need and more
Your my sugar daddy
Chours:
I don't need money and i don't need fame
Just the sweet love that ya bring
Your all i want and boy your all i need
Oh you taste like candy your so sweeet
Suga suga daddy come give me your love
(repete 4x)
Your my sugar daddy makin love so sweet boy i can't
resist ya your good enough to eat
(repete 5x)
Your my sugar daddy
