No hopeful words can comfort me
to lay the same nice smile
I'll laugh again eventually
till then just let me cry

You say that love come back again
Don't make me laugh
You say that some day we'll be friends again
Don't make me laugh
Sometimes you'll learn by lettin go
It's not like that
Don't make me laugh
Just take it back
Don't make me laugh

How many times can you speak these lines
Is that so hard to see ?
You'll never really understand
You can't cuz you're not me
And These tears are mine to cry
This pain is not your pain it's mine
It's me who's being left behind

No hopeful words can't comfort me
I'll laugh again eventually

You say that love comes back again
Don't make me laugh
You say that some day we'll be friends again
Don't make me laugh
Sometimes you'll learn by lettin go
It's not like that
Don't make me laugh
Just take it back
Don't make me laugh

And these tears are my tears to cry
This pain is not your pain it's mine
It's me who's being left behind
No hopeful words can comfort me
I'll laugh again eventually
You say that love comes back again

Don't make me laugh
You say that some day we'll be friends again
Don't make me laugh
Sometimes you'll learn by lettin go

It's not like that
Don't make me laugh
Just take it back
Don't make me laugh
