Do me wrong, do me right,
Tell me lies but hold me tight,
Save your goodbyes for the morning light,
But don't let me be lonely tonight.

Say goodbye and say hello,
Sure enough good to see you, but it's time to go,
Don't say yes but please don't say no,
I don't want to be lonely tonight.

Go away then, damn you,
Go on and do as you please,
You aint gonna see me gettin down on my knees.
I'm undecided, and your hearts been divided,
Youve been turning my world upside down.

Do me wrong, do me right (right now baby),
Go on and tell me lies but hold me tight.
Save your goodbyes for the morning light (morning
light),
But don't let me be lonely tonight.
I don't want to be lonely tonight.
No, no, I don't want to be lonely tonight.

I don't want to be lonely tonight.
