Suit up, let's go cause soon we're gonna rock out on
the stereo.
So scream and run. do all those things that make
people look at you that way.
Hey Hey
And I'll say hey so what's new and how are you. (so
what's new and how are you)
I'll say hey so what's new and how are you. (so what's
new and how are you)
I'll say Hey so what's new and how are you
Sending them home together we'll forget that we're not
alone.
Holding it out until we're sure that we can't see so
straight. so stay. (so stay)
And I'll say hey so what's new and how are you. (so
what's new and how are you)
I'll say hey so what's new and how are you. (so what's
new and how are you)
I'll say hey so what's new and how are you.
What's new (with you)
How are you, what's been goin' on?
Hey so what's new and how are you. (so what's new and
how are you)
I'll say hey so what's new and how are you. (so what's
new and how are you)
I'll say hey so what's new and how are you. (what's new
and how are you)
What's new and how are you (how are you)
