I went outside (went outside)  
And the sun made everything go right (alright)  
I'm Stuck inside (stuck inside)  
Making the things that didn't go so right  
with you and I

Yesterday,  
feeling like I had no feeling  
please don't cry (I won't cry)  
Walked outside  
The day was perfect, made a hurr  
Seen us worth it  
In My Eyes...

Now I'm back  
I take he feels better than what you done to me  
I rather overheat  
I rather be hot  
I don't wanna be (x2)

.....

Sun shine yellow it makes me more mellow  
With the rain on my parade won't settle down  
I might just let go  
I don't expect to see you running after me too see me  
stay tho  
Conflict, -, thought this sassy rainbow

Yesterday,  
feeling like I had no feeling  
please don't cry (I won't cry)  
Walked outside  
The day was perfect, made a hurr  
Seen us worth it  
In My Eyes...

Now I'm back  
I take he feels better than what you done to me  
I rather overheat  
I rather be hot  
I don't wanna be (x2)
