[Pierrick talking]

[1-HunDredd]

Mann, I'm a beast I bet you didn't know it
In case you know now,you gotta stay focused
Mann, you just hatin' cause I be flowin'
My music is classical just like Beethoven
everytime I rap the women get swollen (yep)
this my lifestyle,so where's my Trojan? (what?)
Its Triple X-9 my voice is like coffee
keep you up all night, you can learn alot from me
tell all the women,my music is temptin'
I am the teacher, give me your attention
some stuff in this world I can't and can do
if Ray J can do Kim then I can too (laughs)
yeah I get the women I got alot of swagger
climbin' to the top I don't need a ladder
I'm true to what I say, I mean it when I spit it
when I'm on the mic you know I'm gonna hit it

[Chorus: 1-HunDredd altered pitch voice]

Yeah, mann I'm Lyrically III
'cause I'm the mothafucka with the critical skill
Yeah, mann I'm Lyrically III
'cause I'm the mothafucka with the critical skill
Yeah, mann I'm Lyrically III
'cause I'm the mothafucka with the critical skill
Yeah, mann I'm Lyrically III
'cause I'm the mothafucka with the critical skill

[1-HunDredd]

that's right that's right I'm the ruthless one
y'all some YouTube haters like Moodist1
all you do is complain about my lyrics

and I beat you with punchline a lil gimmicks
or you could taste the blood when I hit you
elbow you and get ejected like Derek Fisher
see you don't hurt me you just man-made
I make hip hop bleed you need a band-aid?
you just a foul person where's my free throws?
yeah we talkin' haters, yeah I dont need those
I'm a celebrity you a dead dream
I make you 360 and catch the red rings

[Chorus]

[1-HunDredd]

I don't know what you heard but aint no soft
niggas in Florida
you'll feel like Casey Anthony you gon' need a
lawyer
yeah that's real talk I don't wanna get to know ya
this the dirty souf you better look over ya shoulder
in the industry I'm the real gift
I'm the Fresh Prince without Will Smith
Ha ha, I know you really like my flow
'cause I bring competition like Street Fighter 4
get the microphone its a rap sandwich
the taste, can you stand it?
yes I'm the peanut butter and this is my jam
so get my name right like the people in my fam okay
I'm lyrical, my skill is critical, try me in the street it
turn physical
I'm hotter than the sun gets
plus I'm all about The Deal just like MempHitz

[Chorus]

[1-HunDredd in Auto-Tune voice]

Yeah....yeah (laughs) yeah
yeah I'm lyrically ill cause I am the one with the
critical skill
y'all don't understand that when are y'all gonna
understand that?
its Triple X-9, its Triple X-9...
