"I Have The Gun"

My silence is my weakness
This secret Iâ€™m keeping
I canâ€™t let them see me
Now Iâ€™m on my own
Until I can stop this
My future is stagnant
Alone here and waiting
I am a stone
Leave me everyone cause Iâ€™m not having fun
All you better run cause I have the gun
I grind all my teeth out
So I canâ€™t speak out
I wish I could sneak out
But itâ€™ been too long
Now I just canâ€™t move
The dream finally comes true
With all Iâ€™ve gone through
I am alone
Leave me everyone cause Iâ€™m not having fun
All you better run cause I have the gun
Until itâ€™s said and done and Iâ€™m the only one
All you better run cause I have the gun
But no one is listening
Cause I have the gun
But no one is listening
Cause I have the gun
Underneath this hate I'm someone else
Underneath this hate I have no gun
But no one is listening
