#### Verse 1

It's friday night, me and marty,  
We got some girls over, we gonna party  
Tonight, everybody's feeling right,  
I see a brunette she's looking pretty tight  
I don't know, what I was thinking,  
She says to me, what are you drinking?  
I'll say I'll have a carlsberg please,  
Next moment we're under the sheets

#### Pre-Chorus

Say I, woke up in the morning with a pain in my ass,  
Don't ask baby cause I don't understand,  
Turn around and what did I see?  
She had a penis, she had a penis...

#### Chorus

Woah, oh, oh, oh, She had a penis (x2)

#### Verse 2

Monday morning, kinda awkward,  
Avoiding eye contact, like a whore would,  
Judgemental looks, like I was a crook,  
Even my maths teacher, hide behind my books,  
She comes sits next to me,  
I raise my hand, sir I gotta pee,  
He says no, just hold it!  
Like the bitch took my dignity and sold it

#### Pre-Chorus

Chorus

#### Bridge

What am I going to do? I am so confused,  
Recently I've been thinking One Direction are pretty  
cool

I can't find my way, so messed up from yesterday  
But all I know for certain...

Pre-Chorus

Chorus
